# TAGGING GUNS & NEEDLES

Guns shoot standard plastic fasteners through hole in tag right into garment – without damage. Load the cartridge of shoot-on fasteners and bang-bang-bang! Tags are attached permanently and securely until cut loose. Greatest time-saver ever invented. Hangs tags neat and orderly where you want them. Eliminates tag switching – gets merchandise out on the selling floor faster. Combine with stringless tags (see pages 92 and 93). The three guns on this page use standard fasteners (see page 89: PF1 – 1” long, PF2 – 2” long, PF3 – 3” long, or PFH – hooks).

**PAT38 TAGGING GUN**

## PATRIOT TAGGING GUN
